Two buttons are visible: "開啟「Webex」" (Open Webex) and "取消" (Cancel). A red box highlights the "取消" button, with a "1." next to it. Below the dialog, the page content reads "正在開始您的會議.." (Starting your meeting..) and "按一下瀏覽器訊息中的開啟 Webex。" (Click Open Webex in the browser message.). A horizontal line separates this from the next instruction, "2. 或" (2. or), followed by a red box around the text "從您的瀏覽器加入。" (Join from your browser.). At the bottom, a note says "如果您沒有在瀏覽器中看到訊息，請開啟桌面應用程式。沒有桌面應用程式？立即下載。" (If you don't see the message in the browser, please open the desktop application. No desktop application?
